2. The customer recognizes the exclusive validity of Blue Tomato's General Terms and Conditions for the entire business relationship. Blue Tomato will not recognize any different conditions of the customer unless the management of Blue Tomato has expressly agreed in writing to their validity. § 2 CLOSURE OF PURCHASE CONTRACT AND CANCELLATION

1. The presentation of products within the framework of the Online Shop does not represent a legally binding offer but rather an in-line catalogue without obligation. By clicking the button 'Buy now', you are making a binding order for the goods contained in the shopping basket. The confirmation of the receipt of the order will occur immediately after the order has been sent through an automatically generated e-mail and does not yet represent an acceptance of any contract. Such acceptance will only come into being when you receive an e-mail from us, in which we confirm the dispatch of the item or the order. We are able to accept your order within two days.
 2. You have the possibility of making the purchase contract in German or English. The ordering and transaction language may also be either German or English. We will store the text of the contract and will send you the order details by e-mail. You may consult previous orders in your customer account, provided that you have registered with us.
 3. If we cannot accept the offer or should certain products in an order not be available, then you will be informed immediately.
 4. Blue Tomato reserves the right to withdraw from the sales contract in cases of print or wording or calculation mistakes on the website.
 5. All offers are valid as long as stocks last. Should our supplier, despite contractual agreement not be able to deliver the ordered products then we equally have the right to cancel a contract with a customer. In this case you will be informed without delay that the ordered product cannot be delivered. The already paid purchase price will be returned within 14 business days (with Saturday not being considered a business day) of or set against other products. We may refuse repayment until we have received back the goods again or you have sent us proof of having sent back the goods, whichever occurs first.
 6. Policy regarding the conditions for and consequences of cancellation are set out in the following section 'Cancellation Policy'.

The cancellation right does not exist in the case of the following contracts unless the parties have agreed otherwise:

- Contracts for the delivery of goods which are not pre-manufactured and the specification for the production of which are determined by the individual choice of the consumer, or which are clearly customized for the individual needs of the consumer.
- Contracts for the delivery of sealed goods, which for reasons of health protection or hygiene, are not suitable for returning if the sealing has been removed after delivery.
- Contracts for the delivery of goods if these by reason of their nature have been inseparably intermixed with other goods after delivery.
- Contracts for the delivery of audio or video recordings or computer software in sealed packaging if the sealing has been removed since delivery.
- Contracts for the delivery of newspapers, periodicals or illustrated magazines apart from subscription contracts.

You bear the direct costs of the return of goods. In some countries, Blue Tomato pays the return costs if the order has reached a certain value. The individual return conditions can be found in the corresponding detailed information on the information page.

For goods that can't usually be sent by parcel post (particularly surfboards and SUP boards), the customer must pay the return costs. The return costs vary depending on the country.

8. The place of delivery for company business is our company location.

§ 3 DELIVERY

1. Should nothing different be requested by the customer then the delivery address entered by the customer will be used.
2. Delivery is assigned to [different delivery service providers](#) depending on the country. The relevant individual delivery conditions and delivery costs can be found in the detailed information on the internet page.
3. If delivery is not possible to a customer, be it because the customer was not reachable at the provided delivery address, although the time of delivery was indicated to the customer with appropriate notice or if the address provided was incorrect, then the customer will cover the costs of the unsuccessful delivery.
4. The delivery is sent from stock, the location of which is also the place of delivery. The customer takes over the risk once he/she takes possession of the item.
5. Delivery and service delays due to acts of God are not the responsibility of Blue Tomato. Such events give Blue Tomato the right to delay a delivery for the period of disruption and an appropriate restarting period or to withdraw entirely or in part from non-completed parts of orders. Acts of God include strikes, natural disasters, war, blockades, import and export restrictions and other national interventions regardless of whether they occur at Blue Tomato or distributors of Blue Tomato.
6. In the case of effects of acts of God which will cause a delay of a delivery, we will of course inform the customer without delay.
7. Deliveries are made worldwide, although for certain countries special security tests must be undertaken before the delivery can be affected. In this case this is explained to the customer in advance. Please note that products of the brand Burton cannot be shipped outside Europe.

§ 4.1 FULFILLMENT AND PAYMENT, DELAY

1. All product prices of Blue Tomato are gross prices, include the legal value added tax of the respective country and are shown in the indicated currency. The prices are valid at the time of the order including sales tax, plus all expenses incurred with the shipment until revoked. Any customs tariffs incurred for shipments to Switzerland will be paid by Blue Tomato. The invoicing is in Euro. In some countries, exchange rate differences may occur if the payment is made in a different currency. Blue Tomato calculates with the exchange rates of the [European Central Bank](#).
2. For customers from outside the EU and Switzerland, Blue Tomato deducts VAT. Removal of country-specific import and sales tax is the responsibility of the customer and is not within the remit of Blue Tomato. Any applicable customs tariffs are to be paid by the customer.
3. The purchase price is due immediately at the time of the order.
4. The customer can pay the purchase price by credit card, prepayment, PayPal and PayPal Express, regardless of his country. The other payment methods cash on delivery, purchase on account, immediate transfer, direct debit and iDEAL are only available in certain countries. In the case of payment by cash on delivery, the shipping charges incurred will be passed on without surcharge. With the payment method PayPal Express, Blue Tomato stores the email address and delivery

address deposited with PayPal to process the order. The customer always has the possibility to request Blue Tomato login data so he can track his order. Payment by instant transfer (Sofort) is currently only available in Austria, Germany, and Switzerland, iDeal only in the Netherlands and purchase on account only in Switzerland. In the case of purchase on account, the invoiced amount must be paid by the due date indicated on the invoice form to the account of our external partner [Klarna](#) which is also indicated there. The payment method purchase on account does not exist for all our offers and requires among others a successful credit check by Klarna. If the customer is allowed to purchase on account for certain offers after checking the creditworthiness, the processing of the payment is done in cooperation with Klarna which takes over the invoice claim of Blue Tomato after conclusion of the purchase contract. Blue Tomato remains responsible for general customer enquiries (e.g. about the goods, delivery time, shipping), returns, complaints, declarations of revocation and shipments or credit notes even when purchasing on account via Klarna.

5. If you as a customer are in default of payment, Blue Tomato is entitled to demand default interest of 5 % above the base interest rate p.a. announced by the Austrian National Bank. If Blue Tomato has incurred higher damages through defaulting, Blue Tomato is entitled to claim for them. Special case of purchase on account: If you as a customer do not meet your payment obligation, especially in the case of the purchase on account payment method, you will be in default of payment upon expiry of the payment deadline set for you. Reminder fees will be charged in a reasonable proportion to the amount owed, insofar as this is appropriate for the out-of-court collection of the debt. Further details can be found in the General Terms and Conditions of Klarna ([GTCs of Klarna AT](#), [GTCs of Klarna CH](#), [GTCs of Klarna DE](#), [GTCs of Klarna FI](#), [GTCs of Klarna NO](#), [GTCs of Klarna SE](#)).

In case of late return, the full daily amount is due for each day of the delay. The exchange of the equipment during the contract period against equivalent products is possible at any time, an exchange against products of a higher category is only possible at extra charge.

For bookings made less than 72 hours in advance, the specific model desired cannot be guaranteed. We can only guarantee a pick-up on the rental day and a model from the booked category.

The snowboard equipment is checked regularly and the bindings are adjusted to the customer based on age, gender, weight, height, riding speed and riding level.

The customer is liable for the proper use of the rental product. In the case of theft, willful or grossly negligent damage, he shall reimburse the current value of the equipment.

§ 5 INVOKE A WITHHOLDING RIGHT AFTER NOTIFICATION OF DEFECTS

5. A right to withhold may be invoked by the customer only when his complaints have been recognized legally or by Blue Tomato. The customer is only entitled to exercise his withholding right in as far as his counter claim is based on the same contractual relationship.

§ 6 PROPRIETARY RIGHTS

1. All our deliveries and services occur under proprietary right. Until all the claims against the customer have been fully met, the delivered products remain the property of Blue Tomato.
2. If you are an entrepreneur in the midst of trade or self-employed, a legal individual under public law or public sector fund, we retain ownership of the purchased item until all outstanding claims from the business transactions with you have been settled. The relevant security rights can be transferred to third parties. Extraordinary dispositions such as pledges or chattel mortgages are inadmissible. In addition, all costs incurred in relation to this, including but not limited to those in connection with objection proceedings, shall be reimbursed.

4. If the customer has any remaining default payments due to us, all existing receivables are due immediately.

§ 7 GUARANTEE

1. The guarantee period is based on the legal regulations. This is 2 years and begins at the time the customer receives the product.
2. Claims against Blue Tomato which may go beyond guarantee claims based on a manufacturer's guarantee are excluded in as far as this is legally permissible. Claims arising from a manufacturer's guarantee can only be claimed by the customer against the manufacturer, who has provided the guarantee.
3. The guarantee is not valid against normal wear and tear caused by use of a product.
4. Should a defect in a purchased item be the responsibility of Blue Tomato, then Blue Tomato is entitled to choose either to provide a repair or remedy of the fault, or a replacement product. If Blue Tomato is unwilling or not able to repair the problem or provide a replacement or the time taken to carry this out is longer than the appropriate time period expected for reasons that fall within the responsibility of Blue Tomato or if the repair/replacement delivery is unsuccessful, then the customer is entitled to withdraw from his contract or to ask for an appropriate reduction of the purchase price.
5. If a warranty claim should occur on a product ordered online, the customer can return it to the contact address provided. Should it arise that the product does not have a fault that falls under warranty then Blue Tomato will bill the customer for any expenses incurred.
6. Compensation for consequential damage (due to defects), as well as for any other damage to materials or financial loss and claims for damages by third parties against customers, are excluded, in as far as it is not the case of consumer business.

§ 8 DISCLAIMER

Thus, Blue Tomato accepts no responsibility for damage or harm not directly linked to the delivered object itself and especially not for loss of profit or other financial loss by the customer. In as far as the liability of Blue Tomato is excluded or limited, this also applies for the personal liability of employees, representatives or agents.
